Re: *United States v. David Kadlec*  
Case No. 97-cr-98

Dear Judge Stadtmueller:

We have had a chance to review Mr. Kadlec's motion for compassionate release, which appears to raise valid reasons for consideration of compassionate release and that would benefit from the assistance of counsel. Unfortunately, we have determined that our office has a conflict in this matter. Accordingly, we are requesting that the Court order the appointment of counsel. Upon receiving such an order, we will promptly seek counsel to assist Mr. Kadlec.

I apologize for the delay in responding to the Court's order, which was the result of my oversight.

Thank you for your consideration.
